

SecretWine Walks

15th November 2014

The **Bullas Wine Route** invites us to know some of the more special and hidden places of a land traditionally linked with the wine culture

10:00 h.	Welcome in the Bullas Wine Museum	
10:15 h.	Departure to the Aceniche Valley	
10:30 h.	Walk by the vineyards	The Aceniche Valley is located near the Sierra de la Lavia mountains, in the confluence of the municipalities of Bullas, Cehegin and Mula. It is an area declared of natural landscape interest, with an average altitude of 825 above sea level. Tour by the vineyards of Bodega Balcona , with vines older than 60 years and other grape varieties which are the basis of the well-known wines of this family winery.
11:30 h.	Visit to Bodega Monastrell	Small but innovative winery dedicated to the production of quality organic wines, being the first company in the Region of Murcia to join a Project for the reduction of greenhouse gas emissions which made the winery get the Certification of Carbon Footprint in 2012.
12:15 h.	Departure to the Green Way (area of the starting point)	
12:30 h.	Walk by the Green Way - Barranco de la Regidora	From the so called Green Way of the Northwest of Murcia (former route of the railway), trail through the vineyards of the Carrascalejo are to discover little-known corners, with the eco-tourist by the Barranco de la Regidora, a real and unique oasis of indigenous flora and fauna.
13:45 h.	Departure to La Rafa	
14:30 h.	Lunch at Restaurant Campoy in La Rafa	
17:00 h.	Visit to the Roman Villa of Los Cantos	Important archaeological site, a Roman villa in process of investigation. Interesting findings related to the production of wine in Roman times, as well as other details of this farmhouse dated in the 1st - 4th centuries AD.
18:00 h.	Presentation of the "SecretWine Tours" film	or Guided tour to the Bullas Wine Museum Located in an ancient wine cellar of the 19th century, it is the ideal place to show all the topics related to the viticulture and the wine-making, including a very interesting collection of pieces from different times.
19:00 h.	Show and sampling of the Bullas D.O. wines (only with invitation) End of the route with the secrets also hidden in some of the high quality wines made in the local wineries of Bullas. Awards of the 'SecretWine Walks' contest.
